

## Hibernians Honored At Annual Dance

Sunday, 11 February 2007

Our annual dinner and awards dance was held on February 10th, 2007 at the Lakeside Manor in Hazlet. The annual dance is a chance for the division to recognize and honor people who work hard promoting our organization's core values of friendship, unity, and Christian charity.

This year's honorees were Brendan Dunleavy as Hibernian of the Year and Owen Dwyer as Irishman of the year. Since they first joined our division, both of these brothers have unselfishly given of themselves to help others and the organization as a whole. Also recognized were several brothers and for their works.
