

Pint Club Fundriser for Stained Glass Window

Tuesday, 25 March 2008

We are continuing to push forward in our fund raising efforts to buy a St Patrick Stained Glass window for the new St. Mary's church in New Monmouth.

Our effort is to recruit local pubs to work with us on a Pint Club T-shirt. We will sell T-shirts with the logos of 10-12 pubs on the back and check boxes. The pubs will give one free beer to the wearer of the T-shirt and will likely gain additional business from the patron and their party.

A letter explaining the promotion along with a registration form is available at:
