

Stickball Success

Thursday, 12 June 2008

The 2nd Annual Stickball tournament was another great success. The event has grown in participation and nearly doubled the amount raised last year. The \$5500 generated is used to provide Catholic school sholarships. This benefits both the schools in maintaining enrollment as well as the individual students in making a Catholic school education more affordable.

A total of 18 AOH members turned out to work & participate in the event. This event was a joint effort with St. Ann's school, St. Mary's school, and Holy Family. The increased cooperation between the AOH and the larger Catholic community shows in the quickly growing success of the event. Many thanks go out to all of the people who contributed to the success of the event.

There were a total of 20 teams that played in both competitive and friendly divisions. Our AOH Stickball Team had 2 wins against a tough Nuns team and a come from behind win against Mater Dei. The childrens division made down to the finals with the Middletown Penguins & St. Ann's School. Unfortunately, the final rounds were rained out so we'll all have to wait to next year to settle the championship.
